DECISION NO. 75097

ORDER

Open Meeting

Phoenix, Arizona

BY THE COMMISSION:

Having considered the entire record herein and being fully advised in the premises, the Arizona Corporation Commission ("Commission") finds, concludes, and orders that:

* * * * *

FINDINGS OF FACT

1. In Commission Decision No. 59811 (August 22, 1996), the Commission granted Coast International, Inc. ("Coast" or the "Company") a Certificate of Convenience and Necessity ("CC&N") to provide competitive resold long distance telecommunication services in Arizona.

2. On February 24, 2015, Coast filed an application with the Commission requesting approval to cancel its CC&N to provide resold long distance telecommunication services in Arizona. Coast's application stated that the Company is no longer providing business in Arizona; that the Company has no customers in Arizona; and that the Company has no plans to pursue new business in Arizona.

3. On March 31, 2015, the Commission's Utilities Division ("Staff") filed a Memorandum in response to Coast's application to cancel its CC&N. Staff recommends approval of Coast's application to cancel its CC&N. Staff states that pursuant to Arizona Administrative Code

1 ("A.A.C.") R14-2-1107, Coast is required to publish legal notice of its application to discontinue or
2 abandon local or interexchange services in all counties affected by the application. According to
3 Staff, Coast indicated that it only had a few customers at the end of 2012 and that by early 2013 the
4 last customer had departed from the Company. Therefore, Staff recommends waiver of the notice
5 requirements set forth in A.A.C. R-14-2-1107 because there are no remaining customers.

6 4. Staff states the Commission's Corporations Division reported that Coast did not file its
7 2014 Annual Report and that the Company's registration has been revoked. Staff also states that the
8 Commission's Consumer Services Section reports that no complaints or opinions were filed against
9 the Company from January 1, 2011 through March 5, 2015.

10 5. Staff further recommends cancellation of Coast's tariff on file with Commission and
11 upon cancellation of Coast's CC&N that the Company no longer be subject to the requirements of
12 Decision No. 59811.

13 6. Staff's recommendations are reasonable and should be adopted.

14 CONCLUSIONS OF LAW

15 1. Coast International, Inc. is a public service corporation within the meaning of Article
16 XV of the Arizona Constitution and A.R.S. §§ 40-281 and 40-282.

17 2. The Commission has jurisdiction over Coast International, Inc. and the subject matter
18 of the application.

19 3. The cancellation of Coast International, Inc.'s CC&N to provide resold long distance
20 telecommunication services in Arizona is in the public interest.

21 4. Staff's recommendations are reasonable and should be adopted.

22 ORDER

23 IT IS THEREFORE ORDERED that Coast International, Inc.'s Certificate of Convenience
24 and Necessity granted in Decision No. 59811 (August 22, 1996), to provide competitive resold long
25 distance telecommunication services in Arizona, is hereby canceled.

26 IT IS FURTHER ORDERED that the notice requirements set forth in A.A.C. R-14-2-1107
27 are hereby waived.
28

IT IS FURTHER ORDERED that Coast International, Inc.'s tariff on file with the Commission is hereby canceled and the Company is no longer subject to the requirements set forth in Decision No. 59811 (August 22, 1996).

IT IS FURTHER ORDERED that this Decision shall become effective immediately.
